

## HAWK WILLIAMS

Jett looks at his crew and sees that Ryker has 2 black eyes and tape on his nose from the dodge ball.

RYKER

Now these fine gentlemen will help you find your way to the nearest exit. Wontcha boys?

MADDOX

Oh of course.

RUGER

We're here to help.

**HAWK**

**Especially the new kids.**

RYKER

## **NEW SCENE**

Tanner is coaching Jett from outside the chamber as he practices his routine and has a few stumbles when he sees through the glass tube Ryker and his team watching from the other side of the room who laugh when Jett messes up.

**HAWK**

**Does Jett really think he has a chance?**

MADDOX

He looks like a newborn trying to learn how to walk in there.

RUGER

It will be like sending the lamb to the slaughter.

RYKER

I know, I hope he makes it.

RUGER

What?

RYKER

If he doesn't make it to the finals, then how am I going to crush and embarrass him in front of Skyler and the whole mountain?

**MADDOX**

Smart.

Tanner notices Ryker's crew watching them and he just gives them the stare.

**RYKER**

(Smiling) And that will be the end of that.
