

LILLY

Lilly walks out of the house when Draven pulls up with Jett in his car.

LILLY

Hey Draven.

DRAVEN

What's up?

LILLY

So, this is your car?

DRAVEN

Got my license this week.

LILLY

Sweet! Take me for a ride?

DRAVEN

If big brother is cool with it.

Lilly looks at Jett with a look like he better let her do it. Jett smirks,

JETT

Yea, sure. Just don't show off all right? Save that for the chamber.

DRAVEN

Copy that! Lilly! Your chariot awaits.

Jett and Lilly trade spots and Jett closes the door to the passenger door.

LILLY

Oh yea! By the way Skyler just called and said to meet her at 7 instead of 5. Had to do something.

JETT

Thanks Sis. Draven, you drive safe. I know where you live...(stern face) On point?

DRAVEN

On point.

The car drives off safely.
