

## SARAH MCADAMS

Sarah and Tanner are dancing.

SARAH

You still got it.

TANNER

With you, I could do anything.

SARAH

And we did. (Smiling)

TANNER

God, I miss you so much.

Tanner spins her around the floor Ballroom style.

SARAH

I know, but you need to live and be happy, especially for Zoe. Don't spend the rest of your life mourning me. It's been 10 years. I know how much you love me, don't think I don't. (Beat) But I love you too and I want the best for you and Zoe.

TANNER

I can't. It's hard without you.

SARAH

(Smiling) Yes, yes you can. It's time. And it's time for Zoe too. It'll be ok, I promise, you'll see. You will be blessed to have a second love of your life and you will be happy again, trust me and know, that I'm telling you, it's ok. You will know when it happens. I love you from the beginning of time.

TANNER AND SARAH

Till the end of time.

Sarah looks into Tanners eyes.

SARAH

I want you to live Tanner, ok? Live for me, Live for Zoe and live for yourself.

Sarah kisses Tanner.
