

STAN RIPLEY

Tanner is standing in the back when Stan Ripley walks up beside him.

TANNER

Stan.

STAN

Tanner... You got a good team this year, but maybe you'll have better luck next year.

Stan gives a little smile.

TANNER

Things would have been different if Ryker hadn't broken Bodhi's Arm last week.

Stan's Smile dropped instantly. And looks at Tanner.

STAN

Wait, What?

TANNER

Oh, you didn't know? Yea, your captain broke my teammates arm than took off. Luckily Bodhi won't let his parents press charges. Lucky for you, I guess.

STAN

Woah! Hold on Tanner, you know me, you know me well and you know I'm competitive but I never will Cheat.

TANNER

But, did you instill those beliefs in your team? Ryker has been after Jett since his 1st day in gym class.

Stan looks deflated and disappointed.

STAN

Tanner, I didn't know, I swear. I knew about the dodge ball incident but that's it. I knew nothing of it after.

TANNER

I believe you Stan.
